# PRECIOSA Candy Oval

*We have expanded the family of popular  
PRECIOSA Candy™ Pressed Beads.*

*We now also offer the decorative  
PRECIOSA Candy Rose two-hole cabochon  
in the PRECIOSA Candy Oval version.*

*The oval base comes in 3 sizes.*

*There are many options for combining  
this bead, for example, with the two-hole  
PRECIOSA Twin™ or PRECIOSA Bow™  
shapes. On the other hand, you can give  
your costume jewelry a more delicate look  
by combining it with the more delicate  
PRECIOSA Rocaille Seed Beads.*

*The sequence of all three sizes placed one  
after the other is also interesting.*

*See for yourself and choose from the range  
of 32 colors and surface finishes. The metallic  
decors, for example, are also worthy of your  
attention or perhaps you will be attracted by  
gold or silver rain on red and green shades.*
