PRECIOSA Villa™ Pressed Beads

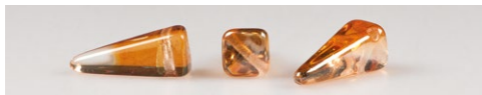

PRECIOSA ORNELA presents the new **PRECIOSA Villa™** Pressed Bead from the PRECIOSA Traditional Czech Beads range. This thin pyramid with dimensions of 6 x 13 mm has a square base and a diagonally placed hole. The very low placement of the hole enables the option of interconnecting the individual beads or easily sewing around them with small PRECIOSA beads and seed beads. The Villa bead supplements the range of fashion and popular costume jewelry components and makes full use of the further options which have become available in the technology used in pressed bead manufacture. The bead is suitable for all types of surface finishes. The edges of the pyramid especially stand out in opaque colors or when used with an all-over surface finish.
